A small invitation to explore.

Four 3.5 x 2-inch cards. Print at actual size (100%) on US Letter paper, then trim at the guides. QR codes open the website. Review the proof and test a printed code before use.

Review proof: confirm offering details and a working contact route before distribution. Test a printed QR code before use. Obtain the lot operator’s permission before placing materials.

A little piece of the mountain story.

Six 2.5-inch square labels. Print at actual size (100%) on US Letter paper. Manual-trim layout; not a branded label template. Review proofs only.
